

Honors-quality coursework and disciplinary breadth

Honors-quality coursework includes courses that are not designated as H or E but have been approved as counting towards Honors requirements by the Honors faculty committee because of their additional academic rigor.

Honors/Honors-quality Requirement

Honors students must complete a minimum of 18 hours of Honors coursework (Honors or Honors embedded coursework, which are designated H or E) or Honors-quality coursework. Please see requirements for more details.

Theme Coursework

Honors-quality theme courses are approved theme courses designated as H or E or taught at the 4000+ level (3000+ level for History courses and courses cross-listed with 3000+ level History courses).

Disciplinary Breadth

Honors quality courses include:
