
**An Honors Guide to the General Education Legacy Requirements*
for Students Pursuing the Bachelor of Science in Arts and Sciences
The Ohio State University**

(These requirements apply to students entering the university between Autumn Term and Autumn Term 2023)

The Arts and Sciences Honors Committee expects all honors students to develop distinguished curricular programs. Each student's program should reflect a commitment to taking the most challenging possible courses that fit the student's background. This document defines the general standards for rigor in an Arts and Sciences Honors Program, along with basic opportunities for flexibility in pursuing that objective.

Open Options 6 hours (at least 2 courses)

In consultation with your advisors, select two additional courses. These courses may consist of education abroad courses, service learning courses, cross-disciplinary seminars (e.g., courses numbered 3597 or 4597), or courses from any of the GE categories (except Mathematics 1151 or below). AP/IB/EM credit for up to **two courses** may be applied to this requirement.

Social Diversity in the United States 0-3 hours

You must complete at least one course that provides exposure to issues of social diversity in the United States. This course may **overlap** with another GE category or your major.

Global Studies 0-6 hours

You must complete at least two courses that provide exposure to the pluralistic nature of society and culture across the world. Each course may **overlap** with another GE category or your major.

** Some of the courses included in this guide have not been approved by the committee that oversees the General Education requirements. Therefore if you complete such courses and do not complete an Honors Contract, you will be required to submit a curricular petition to request approval for course substitutions.*

‡ This course is a variable topics course, which means that the subject matter of the course will vary from term to term. The content of the course in the term you take it will determine which GE requirement the course will fulfill. Please consult with your honors advisor to determine which GE requirement the course will satisfy.
