1. Is this a proposal for a project to be done in conjunction with your project advisor's research?

*If yes, in both the proposal and recommendation, you and your project advisor should address the issue of the degree of project independence involved.*

2. Does data collection for this project involve human or animal subjects?

*If yes, please attach documentation of approvals or (at minimum) submission of project for IACUC /IRB review (e.g., attach a submission confirmation e-mail).*

3. I understand that to receive URS funding, I must be enrolled full-time (min. 12 hours) during the semester I receive funding to receive a URS award (initial)

*For students applying for the URS, indicate the term(s) you would like your funding. Remember, you must be enrolled full-time during the time of reward: Summer 24 Autumn 24 Spring 25*

4. Have you applied for or received any other funding to support your work on this project?

*If yes, what type of funding have you applied for or received and when? How much will/did you receive?\**

5. Do you intend to travel for a purpose related to your research project (e.g., to conduct your research, as part of an education abroad trip in which you are doing research)?

*If yes, where and when do you plan to travel (approximate dates are sufficient)?*

6. Have you applied for the URS or IRG previously? If yes, indicate the semester

*If applying for the IRG, please include a budget with estimated travel costs. Do not include a budget for the URS. Please ask the Ohio State faculty member who will supervise your project to forward the Project Advisor Recommendation to [aschonors@osu.edu](mailto:aschonors@osu.edu).*

***\*If you answered 'yes' to item 4, ensure your proposal includes details about past or current funding, specifying the terms, years, total dollar amount, usage of funds, and how additional funding will facilitate the completion of your project.***
