Honors-quality coursework & disciplinary breadth

Honors-quality coursework includes courses that are not designated as H or E but have been approved as counting towards Honors requirements by the Honors faculty committee because of their additional academic rigor.

Requirements:

To graduate with Honors in the Arts and Sciences, ASC Honors students must maintain a 3.4 GPA and complete the below requirements:

- ASC Honors students must complete a minimum of 18 hours of Honors coursework (Honors or Honors embedded coursework, which are designated H or E) or Honors-quality coursework
- No EM credit can be counted as Honors-Quality
- All GE theme courses must be Honors or Honors-quality courses
  - Honors-quality courses are approved theme courses taught at the 4000+ level (3000+ level for History and cross-listed courses) and all 4-credit hour theme courses
- Students must complete at least one Honors or Honors-quality course in the Natural and Mathematical Sciences, one in the Arts and Humanities, and one in the Social and Behavioral Sciences; these can overlap with GE, major, minor, or elective courses
- Students may count 2 courses from each major and 1 course from each minor towards their Honors coursework requirements
- Students must complete any Honors requirements within the major (varies by major)
- Students must complete an Honors enhanced ePortfolio
- Students must complete an Honors project
- Students must complete the ASC Honors Survey course with a passing grade
