Directions: Please look at your advising report, degree audit, and the ASC Honors GE Guide to fill in the OSU classes that you plan to use for your foundations. Foundations can use AP/IB credit. For AP/IB credit, please put “EM” for the grade, “K” for transfer credit, and blank if not posted yet.

Please list the department and course number for each class. If it is not an honors-quality class, put “0” for “Honors Credit Hours”. If it is an honors class, list the appropriate number of credit hours in “Honors Credit Hours”.

Search for a course’s GE Category using this link: <https://classes.osu.edu/class-search/#/> Remember to look for the “GE:New” category and NOT the “GE: Legacy” category.
