Additional Guidelines

The following is an additional set of guidelines for your consideration when determining honors-quality coursework

- **Any theme course listed in the ASC Honors GE guide is honors-quality**
 - The up to date GE Guide can be found on the **[Honors Requirements section](#)** of our site
-

- **Any 4-credit hour theme course is honors-quality, even if lower level**
 - e.g. KNHES 2295 would be honors-quality since it is 4 credit hours
-

- **Do not rely solely on Schedule Planner and the Degree Audit to choose Theme coursework**
 - **Both tools show non-Honors and Honors-quality Theme courses**
-
