1. Please attach your project proposal here: *

2. Is this a proposal for a Project to be done in conjunction with your project advisor's research? *

If yes, in both the proposal and recommendation, you and your project advisor should address the issue of the degree of project independence involved

3a. Does data collection for this project involve human or animal subjects? *

In order to complete your application packet, we need confirmation of you or your Project Advisor's IRB (for human subjects)/IACUC (for animal subjects) status. An approved or at least submitted status will suffice for the application portion. Please refer to the [instruction page](#) for more information on the documentation required and contact sallade.3@osu.edu if you have questions.

3b. Attach documentation here if applicable:

5b. If you answered yes to the previous question, what type of funding have you applied for, or received and when? How much/will you receive? Ensure your proposal details past or current funding, specifying the terms, years, total dollar amount, usage of funds, and how additional funding will facilitate the completion of your project.

6a. Do you intend to travel for a purpose related to your research project (e.g., to conduct your research, as a part of an education abroad trip in which you are doing research)? *

6b. If you answered yes to the previous question, where and when do you plan to travel (approximate dates are sufficient)? *

6c. Do you plan to travel to country with an [elevated-risk destination](#) or have an approved International Travel Review Committee (ITRC) petition to travel to an elevated-risk designation at the time of application? *

7a. Have you applied for the Undergraduate Research Scholarship or International Research Grant previously? *

7b. If yes, indicate which semester(s):

8. If applying for the IRG please attach a budget with estimated travel cost here:

If applying for only the URS a budget is not required

After completing this application form it will then be sent to your project advisor via the email you provided for them to complete their portion. Once their portion is complete a finalized copy will be sent back to both of you. If you have any issues or questions about the status of your application please reach out to scholl.136@osu.edu or sallade.3@osu.edu
